Friday Night's Party.

The Calhoun Institute was a scene of safety last night. Many of the young people of Macon meeting there for a pleasant socialie.

There has been a round of pleasures in Macon this week. We think there was a party somewhere every night in the week, except Sunday.

A large party of southside folks spent a very pleasant time on Beaver mountain last week. They camped at the old Beaver Springs. As far as we can learn there were present, W. T. Stowers and family, Misses Kittie Simpson, Annie Hunter, Willie Cash, and Jno. McDivid, Shelby Fletcher, Joll Jackson and James Cash. They all went hunting one night and caught a possum.

Brooksville vs Crawford

There was a fair attendance at the Fair Grounds last Wednesday evening to witness the base ball contest between nines from B. and C. The latter were easy victors.

Mr. Leslie McLeod has returned from the coast greatly improved in health his friends will be glad to learn. The first of next month he will take a position with an Aberdeen firm.

J. A. Lee is already receiving mammoth cases of new dry goods, &c., to be opened up next week in the house occupied by Mr. Klaus as a grocery house. In mentioning the matter to us, he seemed to be afraid that we would not sufficiently impress upon the public the fact that this would be strictly a cash store, and that he would not be surprised by any one in selling goods at the very smallest margin of profit. Keep his promise in mind and keep him up to it when the store is opened.

Grand Jury Report.
To Hon. S. H. Treadwell, Judge of the Circuit Court.
 The Grand Jury, empaneled and sworn on the 14th day of August, 1893, to inquire into all violations of the law in Nosborne County, would make the following report:
 We have been in session nine days and have examined two hundred and five (205) witnesses and returned in open court thirty-four indictments.
 We have examined the bonds of all various officers, and find them good with few exceptions, viz:
 "Treasurers General Fund," Clerk, B. F. Harper, J. P. and Cade, Constable, which we would recommend that the Board of Supervisors examine into. We have also examined into the books of all the assessors, and find them correct and neat, except the treasurer which we find correct but not properly kept. We find all monies due the county paid into the Treasury promptly.
 We have examined the Jail, find it in good condition and prisoners well cared for. We have examined the Poor House and find the inmates properly cared for.
 We find the roads in the county

bridges in bad condition, as reported by Board of Supervisors; and would recommend that they give this matter their attention.

We return our thanks to the County and District Attorney for their assistance, and all other officers of Court for their courtesy, and ask that we be discharged.

Wednesday Night's Party.
A hop was given by the young gentlemen of Macon at the Ford House last Wednesday night, in honor of the visiting base ball teams of Brooksville and Crawford. The beauty and chivalry of Macon and vicinity enjoyed the merry hours, and nothing was left undone to make the night a pleasant one for the visitors.

Friday Night's Party.
The Calhoun Institute was a scene of gaiety last night. Many of the young people of Macon meeting there for a pleasant soiree.

There has been a round of pleasure in Macon this week. We think there was a party somewhere every night of the week, except Sunday.

A large party of southside folk spent a very pleasant time on Bear's mountain last week. They camped at the old Beaver Springs. As far as we can learn there were present, W. Stowers and family, Misses Kitt Simpson, Annie Hunter, Willie Cass and Jno. McDivitt, Shelby Fletcher, Jeff Jackson and James Cash. The all went hunting one night and caught a possum.

J. A. Lee is already receiving many orders for new dry goods, &c., to be opened up next week in the house occupied by Mr. Klaus as a grocery house. In mentioning the matter to us, he seemed to be afraid that he would not sufficiently impress upon the public the fact that his would be strictly a cash store, and that he would not be surprised by any one in selling goods at the very smallest margin profit. Keep his promise in mind and keep him up to it when the store is opened.

Mr. T. W. Brame did much of the work of the District Attorney at the term of the court. Mr. Neville is suffering from a bilious attack, and the advice of his physician, asked to be excused from his labors here. Notwithstanding his ailment, Mr. Neville in the case of the State vs. Tolbert, no manner relaxed his efforts in bringing about a conviction, and this was secured. His speech on this occasion was equal to any of his brilliant career.

No New Trial.

Yesterday Col. McMahon made motion before His Honor for a new trial in the case of State vs. Tolbert the State being represented by Mr. Boyle. After listening patiently to the argument, the motion was overruled. We understand an appeal will be taken, and the defence has six days in which to file exceptions.

Maj. Nunn and family have returned from the Fair. They were in Macomb one day this week.

Charley Heinrich and Dr. Clem returned last night from the grand Fair. If you cannot go yourself, you can learn all about it by calling on Jake Holberg at the post office and Charley Heinrich at his store. W.
